Message from the Chairperson

Board Chairperson, Bud Heitman, reported a progressively successful year in 2024, achieving goals and meeting the rising numbers of food insecure residents in Yavapai County.

Wow! - 2024 was a big year for the Prescott Community Cupboard Food Bank. The beginning of 2024 our mobile food bank was just an idea. Since then we purchased a refrigerated truck with the help of generous grants. We started out with 1 location serving 5 clients and have grown into 5 location serving over 900 clients a week all within food deserts with more locations on the horizon. In August the Prescott Valley Food Bank merged into PCCFB forming a strong relationship to provide food to those suffering food insecurity in Yavapai County.

The purchase of the Prescott Valley food Bank building came in September with plans to triple the Prescott Valley Food Bank footprint by June 2025. I am humbled to be able to work along side of our amazing volunteers, employees and board to fulfill our mission to serve those experiencing food insecurity in the surrounding areas. Communities are stronger when we work together!
